Sezione A-A

The image contains two line drawings. The top drawing is a car, shown from a front-three-quarter perspective, facing right. It has a boxy design with a large rectangular grille, round headlights, and a single round side mirror on the left. The bottom drawing is a truck, also shown from a front-three-quarter perspective, facing right. It has a similar boxy design with a large rectangular grille, round headlights, and a single round side mirror on the left. The truck's body is slightly taller and more rectangular than the car's.
